

Endicott College Parking & Traffic Office

Parking and Traffic Regulations 2025-2026

Updated 3/11/26 and 4/6/26 (All updates in red)

I. PURPOSE

The Department of Public Safety and Police has been delegated the authority to enforce parking regulations necessary for the safety and welfare of the College community. From time to time it may be necessary to amend, rescind, modify, or edit existing parking regulations at which time appropriate notifications will be made to the College community.

The Parking and Traffic Office is located in the lobby of the Public Safety Center at the main entrance of the College. For Academic Year 2025-2026, the business hours of the Parking & Traffic Office are as follows:

- Monday through Friday 8:00 a.m. to 4:00 p.m.
- Saturday, Sunday CLOSED

Visitors may still obtain a visitor parking pass, or community members who have already registered for parking may obtain a temporary parking pass, at the Police Dispatch window – in the lobby of the Public Safety Center – after hours or when the Parking & Traffic Office is closed. The Public Safety Center is open 24 hours a day, 7 days a week.

II. SCOPE

The Parking and Traffic regulations apply to all students, faculty, staff, and visitors of the college. College parking regulations are part of the terms and conditions placed upon students, faculty, staff, and visitors when entering the private property of Endicott College to park motor vehicles and to operate a motor vehicle on the College roadways and within its parking facilities.

It is the responsibility of all community members bringing a vehicle to campus to read and follow these policies and regulations. Please contact the Parking and Traffic Office with any questions at:

- Phone: 978-232-2227 or ext. 2227 from on-campus phone.
- Email: parking@endicott.edu
- Fax: 978-232-5226

III. REGISTRATION, FEES, AND DECAL PLACEMENT

A. Registration Process

Vehicle registration for the Fall 2025 semester will begin on August 5th, 2025. All students who are eligible for a parking decal must register on the Endicott College Parking Portal, which can be found at endicott.aimsparking.com. Once all paperwork required is submitted your decal will be available for pick-up at the Parking and Traffic Office and/or after hours at Public Safety Dispatch. All outstanding parking fines must be paid in full at time of registration to be able to receive a parking

permit.

All students with vehicles registered outside of Massachusetts, resident student or a commuter, are required by Massachusetts State Law to submit a Nonresident Student Driver Statement form. This form is located on the Endicott College Parking Portal as well as the Parking & Traffic Section of the college's webpage. The form, once completed, can be attached to your vehicle registration within the portal, emailed to parking@endicott.edu, or dropped off at the Parking and Traffic Office located within the Public Safety Center. There is a drop box at the Parking and Traffic Office window to drop the Nonresident Driver forms outside of regular business hours.

The Parking & Traffic Office reserves the right to contact the registered owner of any vehicle regarding a lack of payment of citations or placement on the Public Safety Tow List.

Instructions for registering a vehicle on campus:

- Login to the Endicott College Parking Portal, endicott.aimsparking.com using your Endicott credentials
- Click Login in the upper right corner
 - Select Endicott College login if you are a student or staff member.
 - Select Contractor/Vendor Login if you are a contractor or vendor and have been assigned an account number by the Parking & Traffic Office.
 - Please contact parking@endicott.edu if you need a contractor or vendor login
- Select Order Permits
- Review instructions and then select the permit type. If you believe you are seeing the incorrect type, please contact the Parking & Traffic Office.
- Select Add Vehicle and proceed with filling out the form.
- Attach your MA Nonresident Student Driver Form if applicable.
- Select Pickup at Parking & Traffic Office as your delivery option.
- Review and agree to the terms of service.
- Proceed to checkout.

Students are only permitted to register one vehicle. Staff are eligible to register up to two vehicles. You will not be notified that your permit has been processed, please allow 3 business days before picking up your permit.

Registration Fees (including motorcycles, mopeds, and scooters)

- Undergraduate resident students: \$400.00 per year
- Graduate resident students: \$400.00 per year
- Full-time undergraduate commuter students: \$225.00 per year
- Part-time undergraduate commuter students: \$150.00 per year

All financial matters related to parking permits and citations are handled by the Parking & Traffic Office.

If you only need your vehicle on campus for one semester, you are able to receive a refund of half the

registration fee. You will be required to return your decal to our office to receive the refund.

B. Decal Placement

The parking permit must be affixed inside the front windshield on the lower driver's side corner. Failure to properly display a permit in the required location will subject the vehicle to citations and towing. In accordance with the Commonwealth of Massachusetts regulations, the Nonresident Driver decal must be affixed inside the front windshield behind the rear-view mirror.

(Front of Vehicle)

IV. TEMPORARY PARKING PASSES

Community members with a current parking decal, who based on extenuating circumstances require them to temporarily drive a different vehicle, may be issued a Temporary Parking Pass from the Parking and Traffic Office on an as needed basis. You will be able to request this through the Parking Portal. These requests must be approved and you will be notified regarding the approval status once it has been reviewed. Please allow at least 1 business day for review.

Community members who have not been issued a parking decal, who based on extenuating circumstances need to temporarily drive a vehicle on campus, may be issued a Temporary Parking Pass from the Parking and Traffic Office for a maximum of one week. These passes are limited to three (3) per semester per person. The fee for a weekly pass is \$25. Day passes are also available for \$10 per day. These temporary passes for community members without a decal can **ONLY** be issued by the Parking & Traffic Office **and approval must be obtained before bringing a vehicle to campus.**

Any person using or found in possession of an altered or fraudulent Temporary Parking Pass will be assessed a \$500.00 fine and may lose his/her parking privileges on campus. This also applies to anyone found in possession of a fraudulent parking decal. (altered, photocopied, etc.)

V. PARKING AREAS

All roadways on campus regardless of whether they are marked as fire lanes are considered fire lanes and must remain clear at all times. Do not park in front of buildings, in gated areas, in driving lanes within lots, or in areas with painted hash marks, areas covered with grass, wood chips, gravel, or any unpaved surface. A space is considered legal only if your vehicle is parked between two parking lines.

Parking in these areas is not allowed under any circumstances, including for temporary stops, idling, or unloading.

Illegally parked vehicles will be issued a ticket and subject to being towed without warning and at the

owner's expense. Towed vehicles will be located at New Beverly Auto Clinic at 126 Rear Park Street in Beverly, MA. (Telephone # 978-922-3650).

Parking Lot Designations

Campus parking lots are designated by a color-coded system; community members are allowed to park in lots in which the colored border of the parking lot sign matches the color of the community member's assigned parking decal. For a visual representation of the designations, please refer to the online parking map at map.endicott.edu.

Unless otherwise posted or announced, parking lot designations are in effect 24 hours a day, seven days a week. Parking in any lot other than the permit-authorized lot is a violation and may result in ticketing and towing without warning at the vehicle owner's expense.

A. Visitor Parking

A “Visitor” is defined as any individual visiting the campus who is not a member of the Endicott community. All visitors must register and obtain a Visitor parking pass from the Parking and Traffic Office located within the Public Safety Center.

To acquire this pass, the visitor will need to provide a valid ID, the vehicle license plate number, vehicle make, model, and color.

Unauthorized vehicles found parked in any visitor’s space will be issued a citation and may be subject to tow without warning at the owner’s expense.

There are several visitor parking spaces around campus, but visitors are allowed to park in any legal space (not reserved for anything else) if those are not convenient or available.

B. Reserved Spaces

Reserved spaces on campus are designated as such by special signage indicating that the space is reserved for a particular reason (e.g., Silver Decal, Parking by Permit Only, Reserved Parking, etc.). Unauthorized vehicles found parked in reserved spaces will be issued a citation and are subject to tow without warning at the owner's expense.

VI. UNDERGRADUATE STUDENT PARKING

A. Resident Students with More Than 30 Credits - Eligibility:

Resident students, who have completed 30 or more college-earned credits towards their Baccalaureate Degree Program from Endicott College or elsewhere, are authorized to have a motor vehicle on campus.

Sophomore resident students applying for a parking permit must enter into a lottery selection, as their quantity will be limited. The lottery will open on July 21st and close on August 4th at 12:00pm. Those students determined eligible will be notified by the Parking & Traffic Office. See below section for waivers and exceptions if not selected, which will open on August 5th.

Junior and Senior resident students will have no restrictions, unless the campus capacity is reached.

B. Resident Students with fewer than 30 College-Completed Credits

Resident students, who have fewer than 30 completed college-earned credits towards their Baccalaureate Degree Program, are NOT authorized to have a motor vehicle on campus.

Any resident student with fewer than 30 college-completed credits who brings a vehicle onto campus without prior written approval from the Parking and Traffic Office will be subject to ticketing and towing at the owner's expense and will lose parking privileges for their sophomore year. Towed vehicles will be located at New Beverly Auto Clinic at 126 Rear Park Street in Beverly, MA. (Telephone # 978-922-3650).

Waivers & Exceptions

Freshman and Sophomore resident students may seek a waiver for a documented medical or disability exemption. Such requests must be supported with medical documentation. Please be advised that all requests for a medical or disability exemption are vetted through the College's Center for Accessibility Services. If approved, a temporary pass or decal will be issued for the period of time needed to support the disability need.

Waivers for Sophomore students will also be reviewed for off campus employment and educational purposes such as clinical or internships.. These waivers will be reviewed by the Parking & Traffic Office as they are received.

In order to qualify for an employment waiver, students will be required to show proof that they are working 12 or more hours per week. Upon initial application, a signed letter from the student's employer will be required to show that the employee intends to work 12 or more hours per week. After 30 days a pay stub will be required to verify this. Verification will be done several times throughout the academic year to maintain eligibility. Employment that does not produce a pay stub will not be eligible for this waiver.

The Waiver Request Form can be found on the Parking Portal or through the Endicott Parking and Traffic Webpage. Please submit all necessary documentation when applying for employment or educational based waivers. **If applying for a medical waiver, you will be contacted by the Center for Accessibility Services and will supply documentation to them.**

As the Parking and Traffic Office does not conduct business on the weekends, voicemail messages should not be considered a form of approval and parents or guardians SHOULD NOT send their student back to campus with a vehicle without speaking directly with Parking and Traffic Office personnel.

The Parking & Traffic Office will not issue a temporary pass or parking decal to a freshman or sophomore resident student for any duration unless their waiver request has been approved by either the Parking & Traffic Office or the Center for Accessibility Services.

Those approved with less than 30 credits will be issued a white decal and will be required to park in Lot 12 at all times. Those with 30 or more credits will be issued a green decal and will be able to park in green parking lots.

The fee for a Freshman or Sophomore parking pass via waiver is the same cost for all undergraduate resident students.

C. Commuter Students & Those Living in College Operated Off-Campus Housing

Commuter students and those living in college operated off-campus housing, regardless of the number of completed credits, may register a vehicle with the Parking & Traffic Office and purchase a parking decal.

Off-campus housing includes: 8 Pickett Court, Beverly Commons, and McKay Apartments.

D. Students with Vehicles Registered outside of Massachusetts

In accordance with Massachusetts General Laws Chapter 90, section 3, students with vehicles registered in another state or country other than Massachusetts are required by Massachusetts law to complete and submit a copy of the Massachusetts Department of Transportation Nonresident Student Driver Statement to the Parking and Traffic Office at the beginning of each academic year.

This form is located on the college's parking portal. The form, once completed, can be submitted through the parking portal within a vehicle registration, emailed to parking@endicott.edu, faxed to 978-232-5226, or dropped off at the Parking Office located within the Public Safety Center.

Once received, the Parking and Traffic Office personnel will assign an Endicott decal and State decal to the applicant. Resident Students will be able to pick up both their State and Endicott issued parking decals directly from Public Safety. Commuter students will also pick up their decals at Public Safety.

E. Vacation Periods

The parking policies are in effect throughout the entire calendar year and citations are issued in accordance with these policies. During the breaks, students with current parking permits may leave their vehicles on campus, by submitting a form generated by this office. This form will be sent to the community via email prior to each school break. The form must be filled out and submitted to the

Parking & Traffic Office at which time you will be informed of a designated parking area where to leave the vehicle. Vehicles left on campus outside of the designated parking areas may be towed at the owner's expense.

Vehicles that are left on campus are done so at the students' own risk. The College, in its sole discretion, is authorized to move the vehicle in case of an emergency without notice.

VII. VAN LOAN STUDENT PARKING

All Van Loan School students must register their vehicles with the Parking & Traffic Office. Decals can be picked up at the Parking and Traffic Office located in the lobby of the Public Safety Building. All Van Loan School students are responsible for knowledge of and compliance with the college's parking and traffic policies.

In accordance with Massachusetts General Laws Chapter 90, section 3, students with vehicles registered in another state or country other than Massachusetts are required by Massachusetts law to complete and submit a copy of the Massachusetts Department of Transportation Nonresident Driver Statement to the Parking and Traffic Office at the beginning of each academic year.

This form is located on the college's parking portal. The form, once completed, can be submitted through the parking portal, emailed back to parking@endicott.edu, faxed to 978-232-5226, or dropped off at the Parking and Traffic Office located within the Public Safety Center.

Once received, the Parking and Traffic Office personnel will assign an Endicott decal and State decal to the applicant, which will be available to be picked up at the Parking & Traffic Office.

Commuter Van Loan students are exempt from registration fees, but must register their vehicles and are responsible for knowledge of and compliance with the college's parking and traffic policies.

Resident Van Loan students must register their vehicle as described above and will be charged the appropriate registration fees and are responsible for knowledge of and compliance with the college's parking and traffic policies.

VIII. FACULTY AND STAFF PARKING

All Faculty and Staff must register online through the college's parking portal. Decals can be picked up at the Parking and Traffic Office. Each faculty and staff member may register up to two (2) vehicles per person.

Faculty and Staff parking decals do not expire.

All faculty and staff members are responsible for knowledge of and compliance with the college's parking and traffic policies. All parking and traffic regulations apply to faculty and staff.

IX. HANDICAP PARKING

Vehicles displaying state-issued Handicap (HP) registration plates, placards, or parking permits may park

in any Endicott handicap designated space. Only holders of state-issued Handicap permits may park in these spaces.

Endicott College does not issue handicap placards or temporary medical passes, the Massachusetts RMV does issue temporary handicap placards and should be contacted directly if one is needed.

X. ELECTRIC VEHICLE PARKING

Endicott College has 6 electric vehicle (EV) charging stations on campus. Four stations are located in the garage and two are just outside the garage nearest to Facilities Management. Community members are asked to use a charging station for no longer than 4 hours and remove their vehicle from the space within 1 hour of their charge being completed.

These spots are only to be used when charging, not for general EV parking. Additional fees apply for those charging longer than the allowed time.

Charging costs \$0.50 per hour for the first 4 hours and \$5.00 per hour after that. Additional fees may apply.

XI. MOTORCYCLES, MOPEDS, AND SCOOTERS

All parking and traffic regulations that apply to motor vehicles also apply to motorcycles, scooters, and mopeds.

Motorcycles, scooters, and mopeds must be registered on the college's parking portal, just like a motor vehicle. The same fees apply to Motorcycles, scooters, and mopeds. These vehicles are allowed to be driven on campus.

Helmets must be worn at all times pursuant to Massachusetts State Law.

XII. LOST, STOLEN, FORGED PARKING DECALS OR TEMPORARY PASSES

The use or possession of a lost, stolen, or forged parking decal or pass will result in towing of vehicle off campus, a mandatory charge for the original value of the parking decal/pass plus a \$500.00 fine, and revocation of parking privileges for the remainder of the academic year.

Penalties for registering another person's vehicle with the College by means of false statements may also include revocation of parking privileges for one year, a \$500.00 fine, and referral to the appropriate College disciplinary process. (Students referred to Student Affairs for a conduct hearing, Faculty/Staff referred to the employee's supervisor and Human Resources.)

XIII. VIOLATIONS, CITATIONS, FINES, AND THE APPEALS

PROCESS

A. Citations/Fines

The following violations will result in a citation being issued by the Endicott Public Safety Department. Multiple violations may result in several fines. The Parking & Traffic Office reserves the right to modify or adjust any citation at their discretion.

- Handicapped Area (Tow Zone) \$150
- Driving to Endanger \$100
- Tow fee \$135
- Blocking Fire Hydrant (Tow Zone) \$50
- Parked in Fire Lane (Tow Zone) \$50
- No Campus Decal/Permit (subject to tow) \$100
- Speeding \$75
- Stop sign violation \$50
- Driving in the wrong direction \$50
- Parked on the lawn or sidewalk \$50
- Blocking snow emergency space during snow emergency \$50
- Restricted area/lot \$35
- Parked in visitor parking \$30
- Blocking loading dock \$35
- Parked on/blocking crosswalk \$35
- Removing or damaging fire lane gates, bollards, cones, barricades, or chains \$50.
- Parking in an area already restricted by cones, barricades, or bollards \$50
- Impeded Operation/Distracted Driving - \$50
- Parking in an area not between two parking space lines - \$35

Operating Under the Influence: Any person on campus operating a vehicle under the influence of alcohol or drugs may be subject to arrest and will immediately lose their driving privileges on campus pending a review by the Student Conduct Office. A citation will be issued for driving to endanger (\$100) and the vehicle will be towed off-campus at the vehicle owner's expense to New Beverly Auto Clinic, 126 Rear Park Street in Beverly, MA. Failure to comply with a College official can result in the loss of parking privileges for up to one year.

Driving to Endanger: Any person stopped on campus for driving to endanger will be issued a \$100 citation and will immediately lose their driving privileges on campus pending a review by the Student Conduct Office. Failure to comply with a College Official may result in the loss of parking privileges for up to one year.

Payments of parking citations must be received within 30 days of issuance. If citations remain unpaid after 30 days, a \$25 late fee will be assessed. If you pay your citation within 5 days of issuance, you will be given a 10% discount as an early payment fee.

If citations remain unpaid after 90 days, your parking permit will be revoked and your vehicle will be placed on the tow list with Public Safety.

C. Appeals

Community members who wish to appeal a citation must complete the online appeal process within fifteen (15) days of the date of violation. Submitting an appeal does not mean the citation will be automatically overturned.

Appeals can be submitted through the Parking Portal. While an appeal is pending, your ticket status will be frozen and days will not count towards late fees.

Failure to know or understand policies does not constitute a defense and appeals on that basis will not be considered valid.

D. Repeat Offenders

Any community member who accumulates three tickets will be contacted by the Parking & Traffic Office regarding their continued violations.

Community members who receive 6 or more citations in an academic year will have their parking privileges eligible for restriction or revocation.

If one's parking privileges are determined to be restricted, you will be required to return your parking pass within 7 days and exchange it for a white decal. This will allow you to park in Lot 12 only.

If one's parking privileges are determined to be revoked, they will be required to turn their parking pass in and remove their vehicle from campus by the following weekend.

XIV. ALTERNATE TRANSPORTATION

For alternative transportation options, please direct any questions on these services to the Student Activities Transportation Office at 978-232-2126 or at transportation@endicott.edu.

More information can also be found on their website below.

[Endicott College Transportation](#)

XV. DAMAGE OR THEFT

Endicott College shall not be responsible for any loss or damage to a vehicle, its accessories, or its contents due to theft, accident, fire, flood, or otherwise while on the College's campus. The responsibility for a vehicle, its accessories, and contents while on campus, shall at all times reside with the registered user and/or operator of the vehicle. Registered users should take precautions such as always locking valuables and vehicles and activating anti-theft devices. Registered users also should ensure that they have appropriate insurance coverage for this purpose.

XVI. TOWING

The Endicott College Police Department is authorized to remove, impound, or immobilize any vehicle on College property at the owner/operator's risk and expense. If possible, an attempt will be made to identify, locate, and notify the owner prior to the towing of a vehicle off campus. A vehicle is subject to being towed when:

- A vehicle is left under circumstances that indicate that it has been abandoned; i.e. expired or missing license plates.
- A vehicle is parked in a Handicap space without a Handicap pass or placard.

- A vehicle is in violation of snow removal operations or within restricted posted areas for construction.
- A vehicle constitutes an impediment to vehicular traffic flow or pedestrian travel.
- A vehicle is parked in a fire lane, a crosswalk, blocking a fire hydrant, or blocking building ingress or egress.
- A vehicle is blocking emergency response vehicles, whether or not an emergency is in progress.
- A vehicle is not registered with the College and has received three (3) or more citations. (Immediate tow - no notification)
- A vehicle has received 6 or more citations and has failed to return their parking pass.
- A vehicle has an unpaid citation more than 90 days overdue.

All vehicles towed off campus are towed to New Beverly Auto located at 126 Rear Park Street, Beverly, Massachusetts. The phone number is 978-922-3650. Towed vehicles will not be released until full payment is made to the tow company.

Towing and storage charges are billed directly from the towing service and payments need to be made with the towing service. The College is not responsible for damages to vehicles towed from College property or streets. Claims for damages due to towing must be submitted to the towing company. Tow companies can lawfully assess a drop charge where a properly summoned tow truck arrives, but due to owner/operator intervention, the vehicle is not towed. All towed vehicles are subject to being fully inventoried by Endicott College Police prior to towing.

Impounded vehicles not claimed by the owner/operator within 30 days will be considered abandoned and disposed of by the tow company in accordance with Massachusetts General Laws.

In the event a vehicle is towed, but relocated on campus, a separate Endicott College Police Department citation with a \$135.00 fine will be issued. This will not be eligible for appeal unless you believe the vehicle was towed in error.

XVII. REVOCATION OF DRIVING PRIVILEGES

When a community member's privilege to maintain or operate a motor vehicle at Endicott College is revoked, that community member is given until the upcoming weekend to turn in their issued parking permit and remove their vehicle from the campus. Once privileges are revoked, if the community member returns to campus with a vehicle, the vehicle is subject to immediate towing off-campus without warning.

Disobeying a revocation order will result in disciplinary action. Irresponsible or reckless operation of a motor vehicle or repeated or serious motor vehicle infractions may result in the revocation of driving privileges on campus.

Endicott College reserves the right to revoke a community member's driving and parking privileges at any time.

XVIII. SNOW EMERGENCIES

A snow emergency is a declared state as determined by College officials caused by impending weather conditions or existing snow accumulations. The campus may remain open, but parking restrictions will

apply. Snow emergency parking procedures will be posted and distributed to all students prior to winter months. Once a snow emergency has been declared, an announcement of the emergency will be broadcast by several different methods.

Blue strobe lights will typically be activated twelve (12) hours prior to a storm's estimated arrival. When the blue strobe lights are activated, all vehicles parked in parking spaces with a blue "NO PARKING DURING SNOW EMERGENCY" sign or BLUE LINED SPACES, must be moved from those spaces. The "SNOW EMERGENCY" spaces are then not to be used until Physical Plant completes the snow removal and the blue strobe lights are turned off.

There are four (4) blue strobe lights on campus:

Public Safety Center (main gate), Public Safety substation (across from Marblehead Hall), Facilities Management, and Endicott Hall.

A. Snow Removal Process:

Once a timeline is created by Physical Plant and Endicott Police regarding the removal of snow in the parking lots, an email will be sent to the community informing them of when and where to move their vehicles.

Residence Life will create posters and signs for the Residence Halls for when and where cars should be moved.

Residence Life staff will be available within their respective halls for questions that students have regarding snow removal.

Each student is responsible for the removal of snow from their vehicle.

Enforcement During a Snow Emergency:

In the event that a student cannot be reached by Endicott Police Department to remove their vehicle during a snowstorm, the vehicle will be towed.

Vehicles with a valid parking decal towed for snow removal purposes will be issued an Endicott Police Department ticket (\$135.00) and towed to another lot on campus.

Vehicles without a valid parking decal that is towed during a snow emergency will be issued an Endicott Police Department citation for "NO DECAL" - \$100.00 fine and towed off campus. A separate tow fee will be charged by the private tow company, New Beverly Auto, located at 126 Rear Park Street in Beverly, MA (Phone: 978-922-3650).
